

Dear Valued Customer,

**New regulations** under the Canadian Explosives Act came into effect on February 1, 2014.

These regulations apply to the purchase of cartridges used in our powder-actuated direct fastening tools.

As a result, we must ensure our customers are aware of these regulations. To do so, we require that you acknowledge your responsibilities under the Canadian Explosives Act. Therefore, please carefully read the enclosed **acknowledgement form** and return it to us by fax or email to **1-800-363-4459** or [DX-ER-LPE@hilti.com](mailto:DX-ER-LPE@hilti.com) to order regulated products.

If you have any questions, please do not hesitate to contact us at **1-800-363-4458**. We always like to hear from you.

Best regards,
