

HILTI SMART

Benefit from a service subscription that best fits your needs

At Hilti, we understand that customers have different needs based on their unique business. We also know how important it is to be able to manage variable costs. This is why we've created Hilti Smart, our service subscription which provides the benefit of unlimited deliveries and access to our digital learning platform based on your selected subscription tier. It's easy to get started. Select which of our four subscription levels best meet your needs and enjoy the benefits of that option upon signing up. If you find that you no longer need the service, you can cancel at any time.

How to get started with your Hilti SMART subscription:

- Evaluate if a subscription plan makes sense for your needs
- Enroll in the program yourself by ordering the subscription online or by contacting your Account Manager or Hilti Customer Service who can enroll you on your behalf
- Start enjoying the benefits of your Hilti Smart subscription tier
