

Fire Finish 120+ CFP-SP WB

Approved Topcoat List

For interior applications, a topcoat is not required for our Hilti Fire Finish 120+ CFP-SP WB. For exterior conditions, a UL exterior approved topcoat is required for our Hilti Fire Finish 120+ CFP-SP WB which is highlighted below. Reference our application guide for cure times prior applying an approved top coat. **Please verify before use. "✓" means approved for use.**
